

Healthy!CapitalCountiesSM
a community approach to better health

Chronic Disease Focus Group

Everyone who participates gets dinner and a \$25 Meijer™ gift card

Healthy! Capital Counties

Everyone wants to be healthy. Some of us aren't.

Join us at the **Allen Neighborhood Center** to share thoughts about you and your family's health, your experiences getting medical care, and the neighborhood conditions that affect health in the Capital Area! This focus group will help health care and community services providers measure how healthy we are, what health conditions we deal with, and the root causes of those health problems.

Participants must have a chronic disease and also meet one of the following criteria: uninsured, unemployed, low income, on Medicaid, receiving food stamps (SNAP) or WIC, or use a food bank.

- Eat dinner and get \$25 Meijer gift card for participating!
- Participate in an interesting discussion about health
- Help us tell the Hospitals and Health Departments what we need to stay healthy!

When: Tuesday July 27th, 2021
