Disability and Recovery Focus Group

Everyone who comes gets dinner and a \$25 Meijer™ gift card

Healthy! Capital Counties

Everyone wants to be healthy. Some of us aren't.

Join us at **Peckham** to share thoughts about you and your family's health, your experiences getting medical care, and the neighborhood conditions that affect health in the Capital Area! This focus group will help health care and community services providers measure how healthy we are, what health conditions we deal with, and the root causes of those health problems.

Participants must have a disability, be a parent of a child with a disability or be in recovery. We especially encourage your participation if you also meet one of the following criteria: uninsured, unemployed, low income, on Medicaid, receiving food stamps (SNAP) or WIC, or use a food bank.

- Get dinner and a \$25 Meijer gift card for joining!
- Participate in an interesting discussion about health
- Help us tell the Hospitals and Health Departments what we need to stay healthy!
