Healthy! Capital Counties

Everyone wants to be healthy. Some of us aren't.

Come to **the Allen Neighborhood Center in Lansing** to share thoughts about your and your family's health, your experiences getting medical care, and the neighborhood conditions that affect health in the Capital Area! This focus group will help health care and community services providers measure how healthy we are, what health conditions we deal with, and the root causes of those health problems.

Participants must identify as persons of color and be residents of Clinton, Eaton, or Ingham County. Individuals who are uninsured, unemployed, low income, on Medicaid, receiving food stamps (SNAP) or WIC, or using a food pantry/bank are especially encouraged to apply.

- Eat dinner and get \$25 Meijer gift card for coming!
- Participate in an interesting discussion about health
- Help us tell the hospitals and health departments what we need to stay healthy!
