Everyone who participates gets dinner and a \$25 Meijer™ gift card

### Healthy! Capital Counties

*Everyone wants to be healthy. Some of us aren't.*

Join us at **Eaton Rapids High School** to share thoughts about your and your family's health, your experiences getting medical care, and the neighborhood conditions that affect health in rural Eaton and Ingham Counties! This focus group will help health care and community services providers measure how healthy we are, what health conditions we deal with, and the root causes of those health problems.

Participants must be residents of Eaton or Ingham County and also be one of the following: uninsured, unemployed, low income, on Medicaid, receiving food stamps (SNAP) or WIC, or using a food pantry/bank.

- Get dinner and a \$25 Meijer gift card for coming!
- Participate in an interesting discussion about health
- Help us tell the hospitals and health departments what we need to stay healthy!
